

TECHBITE BIOPSY FORCEPS

10_{pcs/ box}

SHARPER CUP
IMPROVED BITE
OPTIMAL CONTROL

The Duo Cup Biopsy Forcep is the best of both worlds, combining the benefits of both plain and serrated cup. A plain jaw provides a deep and smooth tissue sample, while a serrated jaw combines improved mucosal hold and tissue sampling from a larger surface area.

Product Code	Description	Length (cm)	Sheath Diameter (mm)
NBF63-11023230	Biopsy Forceps Duo cup semi serrated	230	2.3
NBF63-11023160	Biopsy Forceps Duo cup semi serrated	160	2.3
